

HERE'S MY BANK STATEMENT:

“Who needs a trip to the bank when my computer is **TWO STEPS AWAY?**”

With Remote Deposit Capture from Liberty Bank, you can scan checks directly into your account without ever leaving your business. It's easy to use. Just hook up the scanning device to your PC and you can submit checks for deposit directly.

- Make deposits from your office 24/7
- Faster access to deposited funds
- Scanner is free
- A Liberty cash management specialist will help install the scanner
- Secure, web-based access to checks

For a free three-month trial of Remote Deposit Capture, contact a Cash Management Specialist at 860-344-7388.
