Dear Mr. Davis:

On behalf of the West Indian Foundation, we would like to express our appreciation for you and your continued support of our initiative. Our golf tournament funds our annual scholarships given to students pursuing a college education. The award categories are:

- Keith L. Carr, Sr. Technical & Vocational
- Entrepreneurial Spirit Award (Winifred Bennett)
- Marcus Garvey - Community And Civic Engagement
- Fitzroy and Mildred Parkinson Memorial- Community Service
- West Indian Farm Workers Memorial- Farm Worker descendant
- Dr. Leroy A. Worrell Book Award – Medical field
- Ira Osu Arts – Arts (music, literature, art)

We met a few minor challenges when the tournament was rescheduled due to the weather forecast and many of our supporters, including the Liberty team made changes to their busy schedules to accommodate our event. We truly appreciate your flexibility and your dedication to the changes as your presence and visibility is important.

The West Indian Foundation thanks Lloyd and the Liberty Bank team for being part of our golf tournament. We look forward to continuing our relationship.

Kind regards,

Anthony Grant

Dear Glenn,

Thank you for your many years of support for HOPE! HOPE has seen tremendous growth over the past few years and we know that it is in large part to the foundation built by long-time supporters like you.

As we look to the future, we at HOPE are working to ensure that our engagement with the community and our supporters is effective and thoughtful. To that end, we are asking that if you would like to continue to be a part of HOPE's Advisory Council that you affirmatively indicate as much. Please reach out to me by email or phone as listed below to just let us know that you would like to continue to be a part of the Advisory Council (or not – no worries if you would like to roll off).

We are not sure just yet exactly what the Advisory Council membership entails, but rest assured, it will not be a burdensome time commitment. In fact, if you have ideas about what you would like from the Council, please send them our way.

Thanks again for advancing affordable housing in our region through being a HOPE supporter!

Dear Glenn:

Thank you for your work shepherding our project through the loan process. Hopefully, we will eventually have a positive result.

As you know, International Hartford has a history of support from Liberty Bank for our successful efforts to boost minority business entrepreneurship in the region. If the rate of minority business ownership approached that of other groups, there would be fewer wealth and income disparities in the U.S.

International Hartford writes business plans, provides access to capital, incorporates, conducts market research, aids in site selection and government regulatory navigation to fledgling minority entrepreneurs. With our services, hundreds of urban businesses have launched and grown.

Last year, Liberty Bank Foundation awarded us \$10,000. In light of increased demand for our services from the minority entrepreneurial community, and your greater appreciation for what we do, we ask your support for a \$15,000 grant this year.

Please let the Foundation know. Thank you for your interest and support.

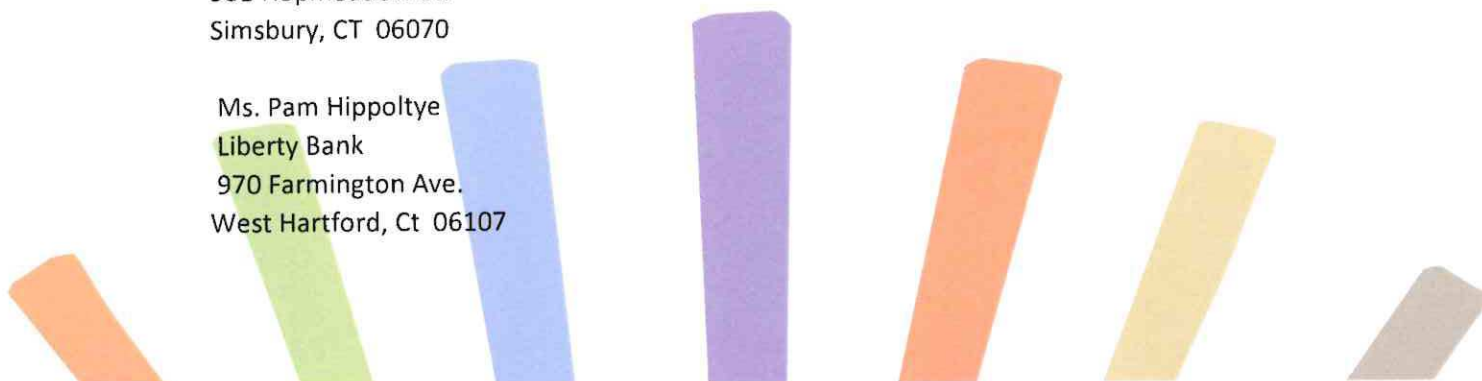

Truly,

Liberty Bank

Middletown, CT 06457

Dear Mr. Davis,

On behalf of Jumoke Academy Charter School, I would like to thank Liberty Bank for donating to our 25th Anniversary Gala. We are thankful to you for providing us with funding that will help to support our scholars in the classroom, during field trips and their overall learning experience, which is a must in these unprecedented times. Your \$975 donation will go a long way to support our scholars and educational programming.

Jumoke Academy Charter School founded by Thelma Ellis Dickerson has been a staple in the city of Hartford for 25 years. Our ability to continue the work and vision of our founder rest on support from businesses and community representatives like you who see a need and make a concerted effort to aid in the efforts to meet that need. While we have not yet met our goal of \$50,000 with your kind support, we are a little closer to meeting some of the goals we set out to achieve as a district.

We would like to extend a heartfelt thank you to your company for helping the Academy in our vision to continue to impact and leave an indelible mark on the lives of our scholars who have graced the corridors of Jumoke Academy Charter School.

Sincerely,

Dear Chris:

I am writing to you today to ask for your financial support for operational funding for the Naugatuck Economic Development Corporation.

Our Annual Meeting, in October, was a celebration of success in 2021. 2022 will bring a shovel in the ground for Kind Care Assisted Living and Memory Care and the Megin Building on New Haven Road will begin renovations on that iconic property in 2022.

The Naugatuck Industrial Park continues to be a success. We have two companies that will join our Park in 2022.

2022 will also bring progress on Parcel B and soon after, a great project that will bring a transit oriented development. We will continue to work on the Hershey property and hopefully 2022 will be the year to put a company on that property.

Our Annual Meeting also celebrated our Board of Directors. We added 5 new members and 4 members left the board. We said goodbye to very good board members and appreciate the work of Dave Rotatori, Gene Fridland, Liz Santoro and Paul Simko. We welcomed new members: Allan Monteiro, Marcelo Martins, Carlos Batista, Seth Bronko and Jason VanStone.

Our Private Sector Campaign in 2021 was successful and we wish to keep the success going. We appreciate the support.

NEDC has done a lot of good work since its inception. As a Public-Private partnership with the Borough of Naugatuck, and the Naugatuck business community, we need your help. I appreciate your support and appreciate your consideration to this request. Thank you, Happy New Year, and all best wishes for business success in 2022.

Sincerely,

Ronald J. Pugliese, President/CEO
